## 10-Week Lesson Program English Riding Lessons at Copper T

### About Copper T Warmblood Stables

<http://www.coppertwarmbloodstables.ca>

Copper T Warmblood Stables is a great place for horse enthusiasts to learn about horses in a family-like atmosphere with Equine Canada Certified Coaches. This is an English riding stable where new and returning riders can learn about horsemanship, dressage and jumping in several outdoor training areas, as well as an indoor arena. Copper T is located a few miles SE of the Grasswood Esso (south of Saskatoon).

### About the 10-Week Program

Riders of all skills and abilities from age 10 and up are able to participate in Copper T's 10-Week Lesson Program. New and existing riders are assessed by Copper T's certified coaches and placed in lessons with riders of similar skills and abilities to get the most out of each lesson. Lesson structure in the 10-Week Program is determined by Copper T coaches and is based on lesson participant abilities; lessons may include a combination of dressage (flatwork) and jumping lessons.

### Benefits of the 10-Week Program

There are many benefits in enrolling in a consistent lesson program, including:

- Overall cheaper lesson pricing
- Students are grouped at a similar level; creating more lesson efficiency and rider progress
- Consistent riding increases rider confidence and well-being
- Physical benefits include increased core strength, balance, coordination, muscle tone and flexibility
- And riders get to connect and interact with our favourite four-legged animals!

### Stable Management Program (Required for New/Inexperienced Riders)

At Copper T, we know that correctly taking care of our equine partners is just as important as learning how to ride. If new riders learn how to handle their assigned school horse in a caring, confident manner, they will have better results when riding.

*"Love means attention, which means looking after the things we love. We call this Stable Management."*

- George H. Morris, Famed Equestrian and Olympic Champion

The requirement for new and/or inexperienced riders to enrol in the Stable Management Program is to allow for maximum riding time in the 10-Week Program, as less time is required in the barn to assist with basic horse care, grooming, tacking up and equipment maintenance. The animal care aspects for the horse and equipment are an integral aspect to lessons, making the 10-Week Program pricing possible. If you believe you are eligible for an exception to these criteria, please see Val directly.

## Required Riding Equipment

- A CSA certified English riding helmets is required. You may use Copper T's riding helmets or decide to purchase your own.
- A riding boot or shoe with a one-inch heel (called "paddock boots") is required.
- Long pants (snug but not too tight) are required. Jeans are fine as long as there is no back pocket "bling" decoration as this will scratch the saddle with minimal inside seam recommended.  
**Note:** Most riders at Copper T wear riding breeches, which are available in **knee-patch** and **full-seat style** at local tack stores (favourite stores include Greenhawk Saskatoon and Early's Farm and Garden Centre).
- Riding gloves are recommended to protect your hands, but not necessary.
- Any shirt that does not restrict a rider's movement is acceptable.
- Please note in the winter months, multiple and base layers are **strongly recommended** to keep you comfortable in your lesson.
- Copper T does have potable water from a well; most riders choose to bring their own water bottles with them to their lessons.

## Riding in the 10-Week Program

Riders please arrive **at least a half an hour before your lesson** to tack up. This applies at the end of the lesson as well; be prepared to stay at least a half hour after your lesson to look after your horse, your equipment the stable and arena areas. This helps ensure the long and healthy life of our horses and their equipment. If there are time limitations to how long a rider may be able to participate before/after their lesson, *Copper T can hire a groom for the rider with advance notice for an additional \$25 per session.*

School horse assignments will be posted for students on the white board in the feed bin area. Please be tacked up and ready in the riding area for your lesson to maximize your lesson slot. Students arriving late will not extend the lesson later.

Once your lesson is complete, please be sure your horse is groomed and put away, equipment is cleaned properly and put away, stall and barn areas are swept and clean, manure buckets been taken out from the barn **and arena** before you leave.
